Journal

Office of Legislative Counsel

Friday - 5 March 1954

- - - -

1. The luncheon with Sen. Ferguson has been cancelled by the Director who will call upon Sen. Ferguson at 1600 hours on 8 March.

*Trip
Cancelled*

2. The DCI will contact Chairman Cole, of the Joint Congressional Committee on Atomic Energy prior to the latter's departure for the Far East and offer the Chairman any assistance he may desire. The Director will also check with the Chairman as to whether any assistance will be required for Sen. Pastore, who is also going to the Far East.

3. The DCI will call Sen. H. Alexander Smith to try to square away the latter's declining to give support to [REDACTED] 25X1A
The Congressional and Government campaign for [REDACTED] is being held 25X1A
in abeyance pending the Director's talk with Senator Smith, and also pending the removal of the roadblock put in the way of [REDACTED] by Mark 25X1A
Trice, Secretary of the Senate.

Sent

4. Mr. Kennedy, of the staff of the Senate Appropriations Committee, has called to ask us to furnish him with [REDACTED] reports of the trip ~~STATS~~ SPEC
of Chairman Bridges and Sen. Symington. So far only one report from the [REDACTED] has been recorded. 25X1A

5. Sen. Ferguson, on behalf of himself and Sen. Knowland, has introduced a bill to require that the text of any international agreement other than treaties entered into by the United States shall be transmitted to the Senate within 30 days of its execution. This bill might cause some problem in the case of any secret agreements involving intelligence activities or support.
